

HOME BUILDERS ASSOCIATION OF GREATER DES MOINES  
2010 COMMITTEE/COUNCIL SIGN-UP SHEET

Get involved to get the most out of your membership and to help build a stronger HBA! Most committees meet monthly on the same designated day and time for an hour. This is your best opportunity to network and connect with other HBA members. The following provides the committee chairperson, and a brief description of each committee's scope.

Mail this form to: HBA, 6751 Corporate Drive, Johnston, IA 50131; or Fax to: 515-334-0165; or e-mail [frontdesk@desmoineshomebuilders.com](mailto:frontdesk@desmoineshomebuilders.com). Our Committee Chairpersons will welcome your participation!

Please indicate below the committee(s) that you are interested in:

- Associates Council:** *Gene Buttrey*, promotes an open line of communication with Associate Members and provides a forum for Associate problems, concerns, etc. Encourages Members to do business with other Members.
- Remodelers Council:** *Carrie Norris*, The Remodelers Council represents and serves the interests of its remodeling industry members. Associates and Remodeler members network in a educational, social, and internatcive network. Separate dues of \$70 are required for membership in the council.
- Professional Women in Building Council:** *Char Hobson*, dedicated to promoting, enhancing and encouraging home building and women in the industry. It supports the future of the home building industry through a scholarship program. Separate dues of \$45 are required for membership in the council.
- Developers Council:** *Jeff Grub*, monitors regulations in all aspects of land development and provides educational programs for Developers. Separate dues are required for membership in the council.
- Sales and Marketing Council:** *Jim Miller*, coordinates the Parade of Homes, a scattered-site showing of homes, develops programs to promote sales of new homes.
- Green Building Council:** *Steve Theis*, provide and promote NAHB Green Building programs, standards and educational opportunities for its members and the public.
- Education Committee:** *Greg Arganbright*, develops educational programs and classes for the entire membership.
- Governmental Affairs:** *LaDonna Gratias*, monitors legislative and governmental activities at all levels and makes recommendations for grass roots action. Also encourages Political Action Committee (PAC) involvement.
- Home & Remodeling Show Committee:** *Terry Doling*, coordinates the Home & Remodeling Show.
- HomeShowExpo Committee:** *Doug Mayo*, coordinates HomeShowExpo. Committee responsibility runs August thru August.
- Membership Committee:** *Keith Butz*, coordinates membership retention and development of membership related materials and information.
- P/R and Marketing:** *Rachel Flint*, develops and implements a comprehensive public relations program as well as community service projects for the Association.
